Cookie Notice

1. Cookies

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our website.

A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.

Cookies may either by 'persistent cookies' or 'session cookies'. A persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date. A session cookie, on the other hand, will expire at the end of the user session when the web browser is closed.

We use persistent and session cookies on our website.

Cookies can either by First Party Cookies, when they are placed on the website by the owners of the website or Third-Party Cookies, when they are placed on the website by other third parties who help them with them website.

You can delete cookies already stored on your computer.

Most browsers allow you to refuse to accept cookies. Blocking all cookies will have a negative impact on the usability of many websites. If you block cookies, you may not be able to use all of the features on our website.
